Who are we ?

We are two brothers: Cédric & Alexandre. One born blond, the other brown, but both at the Hôtel Dieu. One worked in the environment, the other in web marketing. Nothing really predestined us to work together one day, but our shared passion for Lyon and our desire to be enterprising pushed us to embark on this great adventure. On 10 April 2014, we introduced Lyon to our first customers.

After just a few months, our work was quickly rewarded with a place on Trip Advisor's podium of Lyon's activities and a RPPP (local historical guide) label, which we'll keep every year!

On the 6th November 2017, at the Tourism Awards organised by ONLY LYON, we were awarded the jury's Coup de Coeur prize. We're extremely proud of this award and it's a great reward for our young business, confirming our desire to continue working with the seriousness and passion that drives us.

Over the years, the team has grown from 2 to 16 people. Our range of services has expanded, but our high standards and the great quality have remained the same.

Lyon Original Tours now brings together Lyon BIKE Tour, Lyon FOOD Tour and other partner activities, enabling you to create your own tailor-made Lyon experience. We can help you organise activities for 2 to 180 people, providing you with our Lyon expertise and know-how.

Pleasure - Passion - Sharing. That's what's been driving us all these years, helping people discover our destination. We're extremely concerned about the satisfaction of each and every customer and their smiles, and the positive feedback we receive is our greatest reward, making us want to continue the adventure alongside you. 10 years on, we can't wait to write the next chapter with you.
